FAQs

- I don't feel my injury is serious enough to seek medical attention. Do I still need to call? Yes. Often times homecare remedies will help alleviate pain, but calling will document the injury just in case additional treatment is needed later.
- Do I need to complete the 1st Report Form? No, you no longer need to complete this form. The employee should call 855-262-9879 to report the injury.
- What if the employee is unconscious? If the situation is obviously an emergency, call 911.
- What if my situation has worsened since the first initial call? Call 855-262-9879 to update your case.
